ELECTION RETURNS
WITH STATISTICS FROM THE RECORDS

TO THE LEGISLATIVE ASSEMBLY OF ONTARIO

I have the honour to submit to you the return from the:

- By-election held in the Electoral District of Hamilton West on June 17, 1982;
- By-election held in the Electoral District of York South on December 4, 1982;
- By-election held in the Electoral District of Stormont, Dundas and Glengarry on December 15, 1983;
- By-elections held in the Electoral Districts of Hamilton Centre, Ottawa Centre, Ottawa East, Prescott and Russell, and Wentworth North on December 13, 1984; and
- The General Election held on May 2, 1985

As a result of representations respecting irregularities in two electoral districts, I authorized an examination of the documents which confirmed that a number of errors had, in fact, been made but there was certainly no evidence of any deliberate misconduct or any suggestion of corrupt practices, nor was there any allegation to that effect by the complainants. Moreover, the study clearly indicated that the irregularities, while to be viewed very seriously, could not possibly have affected the result of the election.

There were a number of errors made by enumerators, deputy returning officers and poll clerks who are for the most part nominated by the parties, and it should be remembered that these casual employees are engaged for a very brief period and their instruction is also brief due to the shortage of time. The errors committed, largely through inexperience, are insufficient to affect the result in any electoral district and to the best of my knowledge these elections were free of corrupt practices or any action of a willful nature.

Respectfully submitted,

WARREN R. BAILIE,
Chief Election Officer

Toronto, Ontario
October 15/85
